

Five Pillars of Guaranteed Business Success Order Form

I congratulate Greg on writing such a succinct book outlining the five pillars of business success because the next wave of productivity increases for Australia can be found by lifting the efficiency in the small business sector, thereby making us more competitive in the global market. The first step towards this grand goal is a book like this. I highly recommend it.

Tony Steven CEO Council of Small Business of Australia

The Five Pillars of Guaranteed Business Success will show you:

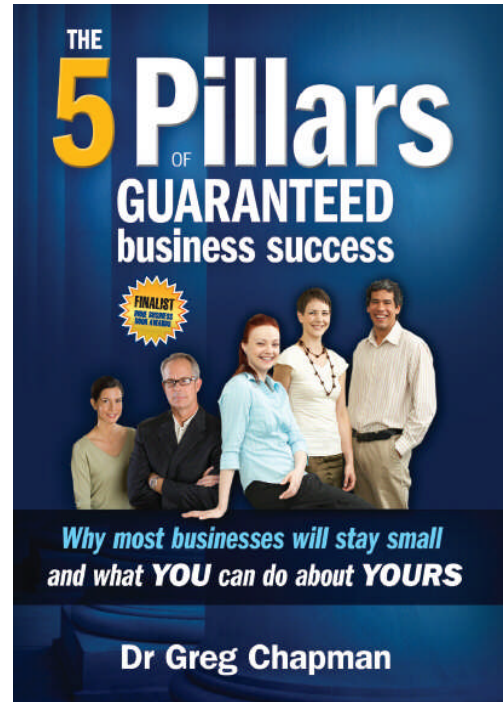

- Why small businesses stay small
- How to diagnose the issues for your business
- The 5 Pillars that must be mastered for business success
- Step-by-step to turn your business into a profit machine

Bonus: Business Tools to download Value \$100

Total Value: \$125

Your Investment is just \$24.95 incl. GST plus \$5 p&h. (International p&h ie outside Australia is \$10)

Easy to read and easy to understand, *The Five Pillars of Guaranteed Business Success* will enable you to achieve the dreams you had when you first started in business.
